The CEO

AIX Investment Group LLC

146th Floor, Burj Khalifa

Dubai, UAE

Dear Sir,

As per the request from the management of the company, we have verified the trading transactions in Currency and Commodities CFD (mainly Gold) of Account. No. 9713696 and the resulting gain or loss in those transactions. Based on materiality, we have checked the computation of profit or loss of the transactions during the month of September and found that the same are correctly arrived at, as available in the system generated report (Meta Trader 4).

The summary report of the transactions entered during the month are attached herewith.

It may be noted that the past performances are not repetitive, and a guarantee cannot be given for the future results of such transactions due to the influence of various factors including ever changing market and economic conditions. We do not assume any risk or responsibility by issuing this report.

Sincerely Yours,

For Emirates Chartered Accountants Group
Dubai, UAE
